

Health & Safety Policy Statement

We at BHR Commercial Construction Limited recognise our duties as an employer under the health & Safety at Work etc. Act 1974 and accompanying protective legislation.

BHR Commercial Construction Limited is firmly committed to doing all that is reasonably practicable to protect the health, safety and welfare of our employees and any other person affected by our activities through applying the high standards set out within this policy.

As our work is often conducted via contractors it is a particular priority for us to ensure that we select only competent contractors and monitor the health and safety standards of their work and workmanship.

As a commitment to ensuring we fulfil our obligations under the Act we will commit to ensuring that we provide and maintain a safe and healthy working environment. The management are aware of their responsibilities under the Act and as such will take all reasonable precautions to ensure the health, safety and welfare of all our employees and others who may be affected by our undertakings.

BHR Commercial Construction Limited recognises, so far as is reasonably practicable, the duty placed on them to ensure the following:

- To provide and maintain a safe place of work, safe systems of work, safe equipment and a healthy and safe working environment.
- To ensure that hazards are identified through thorough assessments of the risks associated with our working practices.
- To provide Information, Instruction, Training and Supervision as is necessary to ensure the health, safety and welfare of all our employees.
- To promote the awareness of health and safety and encourage all our employees to adopt our safe working procedures and encourage industry best practice throughout the organisation.
- To take reasonable measures to ensure we employ the correct control measures to reduce risks to employee's health and safety.
- To ensure that we have access to competent health and safety advice to ensure compliance with our statutory duties.
- Take steps to assess the competence of any contractor we engage and to ensure that information is exchanged on matters relevant to health and safety.
- Be prepared for emergencies such as fire and medical emergencies and investigate all incidents of injury or ill health.

So as to achieve our objectives and ensure our employees recognise their duties as stipulated under the Health & safety at Work etc. Act 1974, we will ensure that we inform them of their duty to take reasonable care of themselves and others who may be affected by their acts or omissions. We will encourage all our employees to co-operate with their employer on issues of health & safety and not to interfere with or misuse anything provided in the interest of their health & safety.
